The background of the image is a dark space filled with small white and blue stars. In the upper center, a grey, rocky planet or moon is visible. Below it, five Among Us characters are shown from the chest up. From left to right, they are: a white character, a purple character, a red character, a yellow character, and an orange character. Each character has a blue visor on its face. The characters are arranged in a slightly overlapping line, with the red character being the largest and most prominent in the center.
