

A vibrant illustration of the character Stitch from Disney's 'Lilo & Stitch'. He is depicted from the chest up, sitting and looking directly at the viewer with a wide, joyful smile showing his teeth. His large, purple, pointed ears are raised high. The background is a lush, tropical scene with various green leaves, including monstera and palm fronds, and several colorful hibiscus flowers in shades of pink, orange, and red. The overall style is bright and celebratory.

Stitch!
